Please note:
The submitted documents will be retained in your file and cannot be returned to you so providing the original certificate is not recommended. If it is more convenient, you may present at the MDA office with your original certificate. Once verified for authenticity it will be copied and returned to you. It would be best to call and schedule a time as only a few MDA office personnel can verify the certificate's authenticity.

On review of your documents, a determination on your application will be made. You will receive a letter confirming your name being placed on the roster and clarifying any conditions on your use of sedative agents. Until you receive this letter, you cannot provide sedation services in the Province.

A failure to comply with the documentation, continuing education or patient assessment requirements will lead to your name being suspended from the roster and the matter referred to the Peer Review Committee for investigation. You will also be expected to ensure the facility and office personnel where you provide these services also comply with the Bylaw.
